A new canvas pack just landed nike flyknit on the Nike Air Max and featured from the set is the runner in an Elemental Gold/Mineral Yellow color scheme. A tan canvas material basically covers the upper while black leather accents is seen along the collar section. Contrasting yellow accents are applied throughout for a nice touch while a highlight is the classic Air Max 93 rubber logo seen on the heels. A black midsole and tricolor outsole completes the design altogether. Look for this colorway of the Nike Air Max Premium at select Nike stores and online today. Always keep it locked to KicksOnFire for the latest in sneaker news and release dates.

The Nike Air Max Plus keeps it coming with colorways to celebrate its 20th anniversary, and the next rendition will be a classic one in volt glow. The runner's mesh upper with signature synthetic webbing across its basically covered in black, while neon volt accents are used for the branding throughout and inside the Air Max cushioning. Other details include 3M Reflective hits on the Nike slides tongue and a black rubber outsole to complete the design altogether. Retailing for \$50, look for the Nike Air Max Plus Volt Glow at select select Nike stores and online on February 8th. Always keep it locked to KicksOnFire for the latest in sneaker news and release dates.

The Nike Air Max 97 Metallic Red Bronze is the latest of Nike Air Force 1 many more colorways of the silhouette on the way, and it's officially introduced. The classic runner's leather mudguard is covered in the metallic bronze hue while the synthetic and mesh upper displaying the signature wavy design is colored in a desert dust hue. A white midsole, mini swooshes and black rubber outsole finally completes the design altogether. Look for this Nike Air Max 97 Metallic Red Bronze at select Nike stores overseas and online on January 3th for a price of \$60. A stateside release is coming soon. Always keep it locked to KicksOnFire for the latest in sneaker news and release dates.

It is now being reported that the new Skepta x Nike Air Max collaboration will Nike shoes women be centered around the upcoming Nike Air Max 97/BW hybrid model. The new Air Max hybrid model is set to make its debut this year as a pack. The silhouette combines elements of the Air Max 97 and blends them with the Air Max BW. The Skepta x Nike Air Max 97/BW has not leaked on the internet yet, but the shoe is said to come dressed in a Summit White and Hyper Cobalt color scheme. Are you happy to hear that this next Skepta collab will be centered around a hybrid model or would you have preferred the collab to be on an actual Air Max model from the Nike archives? Look for the Skepta x Nike Air Max 97/BW to release sometime this Summer.

Stay tuned as more info beings to surface. Above you will get another look at the upcoming Nike Kyrie 4 City Guardians from the Nike Basketball City Guardians Collection. This colorway of the Kyrie 4 pays homage to Kyrie Irving's new home in Boston. The Nike Kyrie 4 City Guardians comes dressed in a Silver, Metallic Gold, Light Gum Brown and Gold color scheme. It comes with a Matte Silver upper offset by the woodgrain print on the quarter heel, the Metallic Gold accents on the branding, and of course the Celtics Green covers that takes care of the outsole. Want a pair? Look for the Nike Kyrie 4 City Guardians to make its debut on February 1st for \$20.

Releasing alongside the Air Jordan Retro High Equality is the Nike Air Force CMFT Equality you see above. Nike women shoes Sharing the same motif as the Jays, this version of the Air Force Low comes in a Black leather upper offset by the "EQUALITY" in White printed on the heels. The simple design of the shoe comes with subtle features such as the historical dates in Metallic Gold on the inner tongues, translucent outsole, and to help in the comfort department, Nike's signature CMFT insoles. Both the Jordan and Air Force are a part of Nike's campaign to encourage people to take the fairness and respect <https://www.motiontempstock.com/images/shoes/nike-women-shoes-386fex.jpg> they see in sport

and translate them off the field.
