Your traditional signature Converse placed on the converse all stars chuck taylor medial side of the shoe completes the major features. No word on when these will drop, but as soon as more info is leaked we will be sure to let you know. Thoughts? Following its official unveiling, another detailed look at the standout Missoni x Converse Chuck Taylor All-Star & Deck Star silhouettes are revealed. Above you will get a first look at the new upcoming COMME des GARÇONS PLAY x Converse Chuck Taylor All Star Collection. Not much release info for this collection has leaked but we do know it's expected to release sometime during the Spring/Summer 2018 season.

The classic aesthetics of the model remain intact, they just come with a little fragment design aspiration. Want a pair? Look for the fragment design x Converse Jack Purcell to release on November 11th at select Converse and tockists. Our latest artist spotlighted on #ArtonFire, is a young lady that goes by the name of dagmara_cielecka_art. One of Dagmara's many talents is transforming an ordinary sneaker into a true baby converse shoes work of art! Her latest creation has her take a plain Converse Chuck Taylor All Star and covert it into one of the cleanest customs you will ever see!

Our latest artist spotlighted on #ArtonFire, is a young lady that goes by the name of dagmara_cielecka_art. One of Dagmara's many talents is transforming an ordinary sneaker converse high tops black and white into a true work of art! Her latest creation has her take a plain Converse Chuck Taylor All Star and covert it into The upper, in camo and suede, is lush in forest green. The tonal laces blend in beautifully as they should with a camouflage colorway while branding on the heel and the tongue play together nicely. These are set for a limited release this weekend in Hong Kong. Introduced in 2013, the Converse Chuck 70 is built off the original 1970's design for the Chuck Taylor All Star with nuance and attention to detail.

The Air Jordan 2 Alumni PE is a part of the pack because Jordan wore that very same shoe converse babies shoes for the Carolina Pro Alumni basketball game for charity. The pack pays tribute to both models since they both has a big impact in helping Michael Jordan shine on the big stage. Visit our Air Jordan x Converse Pack hub page for the latest info, images and updates regarding this pack. Another closer look at the Air Jordan x Converse Pack aka "The 2 That Started It All Pack" is featured, and it's inspired by Michael Jordan's "Love of the Game". Featuring the Air Jordan 2 and the Converse Fastbreak Mid, both pairs were worn by Michael Jordan during the mid-80s and a A UNC-theme is featured on each.

White leather uppers are accented by the Carolina Blue seen on the branding and heel. Michael Jordan laced up in Converse sneakers especially throughout his college tenure at UNC. He even wore the Converse Fastbreak Mid during the 1984 Olympic games. The Air Jordan 2 Alumni is actually a PE version of the model that Jordan wore while already a Chicago Bull for the Carolina Pro Alumni basketball game for charity. Jordan Brand and Converse will be linking up for the very first time (retail release) to release a special two-pair collaboration consisting of a previously unveiled Air Jordan 2 and a Converse Fastbreak dubbed the Air Jordan x Converse The 2 That Started It All Pack.

MJ's refusal to skip the 1984 games is converse high tops grey another classic example of his "Love of the Game." Having just been drafted, it was arguably in his best interest to decline, but instead he helped lead the USA men's basketball team to a gold medal. During the games, he wore his favorite Converse model, the Fastbreak. To honor his memorable performances in Converse sneakers at the University of North Carolina (including a national title) and in the 1984 Olympics, the Fastbreak returns in Carolina Blue.
