Nike Blazer Mid Women The dark brown hairy suede that composes the upper creates a rather messy, outdoor-friendly look. Overlays around the toe and at the midfoot opt for the same textured finish, although it uses a contrasting lighter brown. Nike Blazer Mid Sale branded heel tab also shares this theme but the side Swooshes take a turn in both materials and color. These checks are in an orange-leaning tan leather, deviating from the shaggy base. For an added pop of color, the tongue label and insole adopt a vibrant, hike-ready purple.

With summer approaching, hiking trails will soon be dominated by the adventurous looking for some great sights and exercise. The great outdoors seem to be channeled by an upcoming Nike Blazer Mid Men, which flaunts a textured build reminiscent of the rugged dirt paths.

Outside of its Nike SB propositions, the Nike Blazer Mid Cheap has heavily favored simple, two-tone styles done in leather. For its latest ensemble, however, the silhouette has indulged in various autumn appropriate hues and hairy suede construction for an aesthetic reminiscent of the “Ugly Duckling” theme that’s appeared on the Nike Dunk Low.
