The revival of the Adidas Stan Smith For Sale this year led to a string of awesome colabs in 2022, but we never would've imagined this collaboration in the works! Now that it's actually happening, it seems like such a no brainer for American Dad's Stan Smith to release his own Adidas Stan Smith Cheap model in a move of cross-branding genius. The shoe keeps to the original; with the classic smooth grain leather atop the simple white rubber sole, but updates on the tongue logo and insoles that feature the popular cartoon character completes the tongue-in-cheek colab.

This Adidas Stan Smith Men comes dressed in a Cloud White, Wonder Mauve, and Core Black color combination. Utilizing White leather on the base while a deer pattern adorns the tongue label and heel, constructed with leather. Next, we have a drawing of Bambi on the insoles, and each pair comes with recycled packaging.

Going over this Adidas Stan Smith Women, it features Blue and Red throughout, which represents Stan's hat/beanie. Utilizing mainly Blue leather on the base while the same shade covers the suede tongue. Stan's infamous catchphrase, 'Sweet Dude,' is written on the heel, and we have an image of him on the tongue. Other highlights include Red suede on the mudguard and White on the midsole and outsole.
